PHI SIGMA

This year the Phi Sigma is in a transitional stage so they did not elect a full staff of officers. The purpose of the organization is to further scholastic achievement throughout the school and to give honor to the twelve top-ranking students of the senior class.

The Phi Sigma completed a handbook last spring and copies were distributed to the student body last fall. Other activities of the group include: compiling an alumni catalogue of former members; issuing the honor roll each marking period; and ushering whenever needed. The Phi Sigma has done all this under the efficient direction of Miss Roberts.
