

# And Report News As It Is

## FANSCOTIAN STAFF

This lively organization is highly respected by the students of S. P. H. S. and keeps us well informed on the happenings throughout school. Just this year the Fanscotian has added four new pages to its editions. A hard-working staff has helped to make this year's newspaper one to be long remembered. Few students really know the honest work and effort that goes into this paper to keep it coming out issue after issue. Miss Rossi, Mrs. Russo and Miss Makovsky have also worked hard reminding the staff member of little odds and ends which help to make the paper the success that it was this year.
