JUNIOR HIGH DRAMATIC CLUB

This year, for the first time, a junior high organization is written up for the year book. The dramatic club merits this recognition. It is a comparatively new organization but its members make up for it by their interest and enthusiasm. Besides combined variety shows, the eighth graders give a comedy each year and the Freshmen give a play which they have written themselves. This group gives junior thespians a chance for some experience before they reach high school and the junior and senior plays.
