LIBRARY COUNCIL

The Library Council, organized in 1942, has as its members those students who are interested in the school library and its operations. The members spend at least two periods a week in the library performing routine work, such as collecting fines, checking shelves, and preparing books for circulation.

Meetings are held once a month under the supervision of Miss Lorraine Ayers, the school librarian. Every member must attend these meetings to receive a regular school credit at the end of the year.

Senior high students are all eligible to join the Library Council providing they have good marks and show real interest in library work.
