### MOONGLOWERS

#### THE MOONGLOWERS

Faculty Advisor ..... Edward Wojnarowski

The Moonglowers, well known for their haunting theme and exceptional arrangements, are fifteen prominent members of the Instrumental Music Dept. We are proud of our swing band vocalist, too, Mary Jane Davis. The "Moonglower Assembly" is a highlight of the school year and everyone looks forward to dancing to their sweet music (everything from "In The Mood" and "Blues On Parade" to "Dreamer's Holiday") at school activities, too. Our swing band travels to neighboring schools to represent us in exchange assemblies. They are always as well received as they are here in S.P.H.S.
