ZIGGITY BOOM CLUB

One of our most important organizations is the Ziggity Boom Club, which consists of the Junior and Senior Varsity cheerleaders. These pretty, vivacious girls are among the most popular in our school. They have kindled our spirit at many football games and countless basketball games. The club sponsored a most successful "Goal Post Hop" and also its annual dance in March. The cheerleaders receive very little recognition for their work, but we appreciate their fine school spirit. They have added a great deal to our games and deserve a lot of credit.
