## GIRLS' CHORUS

The Girls' Chorus is one of the outstanding organizations in S.P.H.S. It provides a chance for the musically inclined girls in school to get together and sing to their hearts' content. The chorus meets on Tuesday, seventh period. With this comparatively small amount of rehearsal time, the girls do a very fine job in the traditional Christmas program and the annual spring Choral Festival. A large part of their success is due, of course, to the fine directing of Miss Swetland. The chorus is justly proud of one of its members, Joan Dinkel, who was selected for All-State Chorus. We are proud to have such an organization as the Girls' Chorus in S.P.H.S.
