

## MIXED CHORUS

Faculty Advisor . . . . . Ruth K. Swetland

A special, small chorus made up of especially interested girls is Las Contadoras. These girls, in their gay sashes and pretty blouses, sing for the school and for outside organizations as well (two performances were given for Petty School at Hightstown). They are unusually good and it is a pleasure to hear them.

## LAS CONTADORAS

Faculty Advisor . . . . . Ruth K. Swetland

The mixed chorus is made up of selected voices from the Girls' and Boys' Choruses. The group fills in a large portion of the singing for the Choral Festival and the Christmas and Easter programs. The boys' deep voices blend beautifully with the girls' high, clear ones, and the result is a credit to Miss Swetland's fine directing.
