

# BASEBALL

Under the capable direction of its new coach, Charles Dettmar, the Scotch Plains 1949 Baseball Team slugged its way to a .556 winning average. This final tally of 5-4 could not have been attained without the brilliant playing of such team members as Ed Ross, "Bookie" Franklin, Ed Johnson, Fred Gruninger, Art Di Nitzio, Carmen Christiano, and George Keyes.

The highlight of the year was undoubtedly the game won from Dunellen (18-0) by Ed Ross's superlative pitching which resulted in a no-hitter.

With the loss of nearly all of the first string players this year, the team is anticipating an extremely busy season for 1950.
