## "WHAT A LIFE"

For our senior play, we presented a hilarious comedy, "What a Life", on March 4 and 5, 1950. We can never forget the fun we had rehearsing and presenting these crazy adventures of Henry Aldrich. The very able cast was directed by Miss Edith Higgins, who was assisted by Mary Ellen Schwingel, the student director. The prompters were Irene Sangviliano and Anita Schiafferella. To them, to those acting on related committees, and to the cast goes the credit for the funniest and the best Senior Play yet seen on our stage—At least that's what we think!!
