

Advisors — WENONA RUSSO, FRANCES MAKOVSKY

Flash! Read all about it! The new and better Fancotian is out. This year it was sold by subscription only. The idea worked out very well.

Leila Hazel and her staff worked hard all year and produced a top-notch paper under the excellent direction of Miss Makovsky and Mrs. Russo.

The purpose of the Fancotian is to report all the important activities of SPHS. It accomplished this very successfully.
