

ART CLUB

ADVISOR—VERNE HENRY

The Art Club is one of the more useful groups in our school. In the fall they produced many posters reminding us to keep our school clean. These were not the only posters the club made. It is the custom of the Art Club to put Christmas scene on our front doorway.

The purpose of the club is to cultivate the artistic ability of interested students. They seem to be doing very well.

President	Henry Kates
Vice-President	Robert Boyle
Secretary-Treasurer	Donald Schick
