

GIRLS' ATHLETIC ASSOCIATION

ADVISOR—HAZEL STOCKER

The Girls' Athletic Association worked under a new system this year. Composed of freshman, sophomore, junior and senior girls, the club did away with dues. The Board of Education furnished money to cover all expenses.

The club organized hockey, archery, and tennis teams. The tournaments were held at Bowcraft on Route 29.

Later on in the year basketball games were held with other schools. In these games the girls played others of the same class.

In the spring the club played softball with girls from other schools in our league.
