

VARSITY CLUB

ADVISOR—RAYMOND CALLAGHAN

The Varsity Club is made up of the outstanding members of our athletic teams. They hope to maintain good sportsmanship between the members and outside teams at all times.

In November the Varsity Club sponsored a very successful dance. All of the teams from the schools we played this year were invited. Bob Blackman's band played and a talent show was held as entertainment. This helped to bring about a friendly feeling among the opposing schools.
