

Advisor – RUTH SWETLAND

This is the 25th anniversary of Senior Chorus and another prosperous year was begun with the Annual Christmas Program.

A new system was tried and found to be successful. The boys chorus and the girls chorus were combined and they practiced twice a week. As a result, finer music was produced.

Several popular songs were among the many melodious tunes in the Annual Choral Festival. The program was a huge success.

Thank you, Miss Swetland, for you and your chorus' grand work.
