

Head Coach – RAYMOND CALLAGHAN  
 Manager – JOHN KATES

## TRACK

After a top-notch 1949 cinder season, Scotch Plains Track enthusiasts and participants are looking forward to another championship campaign. Last year, with an almost complete Junior and Senior membership, our squad lost only to a powerful regional aggregation who just squeaked past us. This year should be no exception. The group picture is of the newly organized cross-country track team who will try their luck next spring.
