

## OUR HEARTS WERE

The annual Senior Play, "Our Hearts Were Young and Gay," presented on March 2nd and 3rd was a memorable experience for us all. If we live to be ninety we'll never forget the way the girls looked in their snappy flapper outfits, the fellas with their hair parted in the middle, and above all Bud Soden as Otis "the leper" Skinner with his pants rolled up singing, "Bed bugs away, ye lads." We all know the play would never have been a success without Miss Higgin's guiding hand. She put in many extra, patient hours with us. Jean Di-Francesco was her able assistant and Betty Delnegro prompted.
