

A few solid bars of "Eager Beaver" or "One O'clock Jump" -- of course, it's our own "Moonglowers," composed this year mostly of seniors. They play fast, slow, cool, hot, waltz, fox trot, dixieland, bop -- just about anything you could name. With Mickey Ornato playing about the sweetest lead trumpet we've ever heard, and handled in the vocal department by Mary Jane Davis, the "Moonglowers" give an assembly for us each year, besides adding a vital spark to the Music Department's annual "Night of Music." The dance band also gives several assemblies at other schools, under Mr. Wojnarowski's direction.
