

We the class of 1953
have tried to compile in this
diary all the recollections of our
years in Scotch Plains High
School for these pages are
the unforgettable memories of
exciting proms, sincere friend-
ships, and the many wonder-
ful times we have had to-
gether. We owe a lot to the
faculty who have guided us
through these years. May the
Lord watch over and guide us
as we take our places in
the world.
