

Maria Frances Armino

Sec., Service Club; G.A.A.; Candy Committee; Jr. Play; Typing Ed., Culmen; Typing Ed., Fanscotian.

Maria is one of those few and far between people who is willing to work and who always gets things done. This attractive young lady is a music lover including both opera and popular. She spends her leisure time reading, eating, and sleeping. She likes to attend both basketball and football games. We know Maria will be an efficient private secretary. First, though, she plans to acquire this thorough training at Katharine Gibbs Secretarial School.

Dorothea Gail Arrowsmith

Fanscotian; Service Club; Culmen; Dramatic Club.

"Dot" is one of the friendliest and neatest of the senior girls. Her hobbies are sewing, and knitting those beautiful argyles. Driving, dancing, the Navy, Eddie Fisher, turkey, and popular music compose "Dot's" favorite pastimes. (Quite an assortment!) Her up-to-date scrapbook of Class of '53 events is well known to all. Best of luck, "Dot," in your chosen vocation. You will make a very conscientious medical secretary for some lucky doctor.

Marianne Barbara Beech

G.A.A.; Sr. Chorus; Las Contadoras; Service Club; Art Club; Make-up Committee; Culmen.

Marianne, the gal with the beautiful complexion, is one of the quieter members of our class. But don't let that fool you, because Marianne is a lot of fun to be with. She's crazy about Italian food and loves to watch a football game. Marianne sews many of her own clothes, likes to dance, and she is always late. After graduation she hopes to attend Bucknell and study fashion designing.

Eugenia Bink

Co-captain, Cheerleaders; Student Director, Jr. Play; Jr. High Dramatic Club; Sr. Banquet Chairman.

"Gene" is another one of our lively cheerleaders who is well known around school. Beside her spirited participation in cheering our favorite teams to victory, she enjoys travelling. She almost always has a pair of argyles in the making or perhaps is in the midst of sewing a skirt or dress. "Gene" plans to go to college but, as yet, does not know where. With her various domestic interests she could not choose a better major than Home Economics.
