

Herman Fette Jr.

Senior Chorus; Science Club; Band; Orchestra.

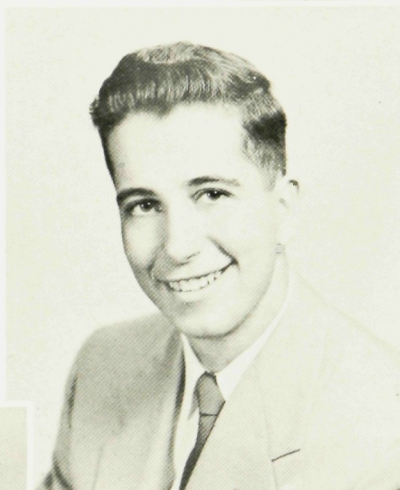

Herman is one of the quiet boys in our class. However, when you get to know him, you realize his sense of humor. He is fond of archery and fishing and is in general a great lover of the outdoors, so you can see what kind of a boy he is. He intends to go into the study of Mechanical Engineering after graduation. We know you'll succeed in whatever you do, Herman.

Meyer Allen Freiman

Service Club; Junior Play; Fanscotian; Senior Chorus.

"Mike" is to be remembered for his great performance in the Junior play. He was well suited to the part of "Mr. Parker" and did a job that we will never forget. Among "Mike's" hobbies are eating and sleeping. He is very fond of his mother's cooking. His only food dislike is cream cheese. Good looking "Babes" are tops on this boy's list but this is not unusual. As for future plans, "Mike" wants to go to college, but just where he hasn't decided.

L. William Frank

Jersey Boy's State; Pres., Service Club; Sports Ed., Fanscotian; Culmen; Football; Track.

"Bill" is one of the tall likable boys in our class. As President of the Service Club, he has done a remarkable job. "Bill's" likes include eating, especially when it comes to a steak dinner. He also enjoys taking part in class projects. He worked especially hard on our Junior Prom, coming to the rescue when one of the "minor operations" failed. "Bill" dislikes homework, particularly History - eh, Mr. Armerding!! His future plans include a career in engineering.

Mary Ann Giacalone

Junior Chorus; Art Club; Fanscotian; G.A.A.; Make-up Committee.

Mary says, "I don't like people to be sad." For this reason she always has a smile for everyone. Dancing, food, animals, and horseback riding go very well with "Mare." She also says hunting and fishing are great sports. As one can see, Mary is an outdoor girl. Her hobbies include flowers and birds - she definitely enjoys nature. Being one of our secretarial students, she plans to be a secretary in a Real Estate firm. We wish loads of luck to you, Mary.
