

Jack Allen Hildebrant

Track.

The famous magician of the future might well be our own Jack. He likes all kinds of magic and practices it as his favorite hobby. Besides magic, Jack likes cars. He is often tinkering with his own. Hunting and roller skating are favorite pastimes. Jack also enjoys food, girls, and music. In the spring, when the track team is formed, Jack is always on hand - and he does a fine job, too. The only peeve Jack has about school is homework. His future is not definite, but maybe he will find success in magic.

Patricia Munro Hope

Student Council; Chairman, Assembly Committee; Library Council; Culmen; Fanscotian.

Our school assemblies have been wonderful this year, giving much credit to "Pat," the Chairman of the Assembly Committee. We will always remember the outdoor pep assemblies planned for us. Collecting records, painting, and listening to the "Four Aces" rate high with her. "Pat" is often seen wandering in the halls on Fanscotian passes. After graduation, "Pat" wants to do secretarial work. We think she will be a great addition to any office.

Margaret Helen Jenks

Pres., Freshman Class; Vice Pres., Sophomore Class; Jr. National Honor Society; Culmen; G.A.A.; Student Council; Sr. Chorus; Las Contadoras; Service Club; Jr. Play; Citizenship Instit.

One of the well-known Jenks twins is popular "Marg." She is blessed with pep and a winning personality and as a leader she is tops. It was "Marg" who started our high school years rolling when she was president of the class in our freshman year. Next fall "Marg" will start studies to become a school teacher. Wouldn't we all like to go back to school?

Marilynn Frances Jenks

Sec., Senior Class; Twirling; Pres., G.A.A.; Make-up Committee; Service Club; Student Council; Culmen; Fanscotian; Dramatic Club.

The other half of the popular "Jenks" team is our head majorette, Marilynn. She does a fine job in leading the band during the football games. We'll always remember Marilynn's spectacular stunt with fire batons at the North Plainfield game. Marilynn, also, is the president of G.A.A. and secretary of the senior class. Business school is for her next fall. From there she hopes to be a secretary.
