

Marian Ann Mancini

Fanscotian; G.A.A.

"Goo-Goo," as Marian is called by her friends, has many hobbies including dancing, skating, and collecting cowboy records. She enjoys sewing her own and buying beautiful clothes, fried potatoes, boys, writing letters, and square dancing. Marian hates peppers, onions, and white bucks. She plans to attend Beauty Cultural School and is very interested in the west. Could this mean marriage soon?

Walter William Marsh

Baseball.

Walter, who always has a smile for everyone, likes stamp collecting, all outdoor sports, eating spaghetti and meat balls, and girls . . . (but says he is too bashful to approach them!) Walter hates corned beef and cabbage and dislikes conceited girls who think that they are too good for everyone. After graduation he would like to get into the air conditioning field and later get married. Whatever Walter does, his bright personality is sure to keep him happy and successful.

Nancy E. Martin

Sr. National Honor Society; Jr. National Honor Society; G.A.A.; Culmen; Service Club; Art Club; Chairman, Candy Committee.

Nancy, who dislikes nicknames, loves steak and french fries. Her hobbies include ceramics and painting. She is one of our friendliest seniors, and finds the boys in Westfield very interesting. Nancy loves to sew all of her own clothes, go horseback riding, and play tennis. After graduation, she plans to go to college, and we know that with her exceptional personality, she will make many friends and be a success.

Edward Harold Matthiack

Vice-Pres., Sr. Class; Culmen; Senior Banquet; Bus. Manager of Play; Service Club; Science Club; Art Club; Cross-Country.

Cute, likeable "Ed" who is called "Fish" by the boys, is a real asset to the senior class. Besides his many activities in school, "Ed" goes in for all outdoor sports, boating and swimming in particular. Fried foods, especially chicken and french fries, are his favorites. As for the future—the submarine division of the Naval Reserve has a treat in store, or possibly college beforehand.
