

Anne Marie May

G.A.A.; Fanscotian.

Cute and petite Anne Marie, better known as "May" to all her friends, came to S.P.H.S. in her Junior year. "May's" favorite pastimes are listening to disc jockey shows, singing, horseback riding, ice skating, and "Albie." "May" dislikes spinach and conceited boys. She loves eating "Rothe's" hot dogs, hunting and fishing, and is crazy about the owner of a black '49 Pontiac. After graduation Anne would like to be a secretary for a chemist or doctor. Marriage is also in the near future. Lots of luck to a wonderful senior!

Helen Charlotte May

Art Club; G.A.A.; Fanscotian.

"Maizie" wants to be a Navy nurse. It sure would be fun to have her take care of you. She'd make a good nurse too because she finds people fascinating and enjoys being around them. Helen likes to try new things, especially in the kitchen, and makes handicrafts with leather or shells. She dislikes people who exaggerate on facts. Helen is happiest when she's swimming.

Mildred Ann McClary

Fanscotian.

Cute, pert "Millie" always looks the best in clothes she's whipped up by herself. Everywhere she goes with her Navy man she picks up matchbook covers for her collection. "Millie" loves to listen to Billy May and Doris Day but turns off the radio when Dixieland comes on. Any office would be glad to have her do their clerical work, and that's her aim before she gets married.

Barbara Anne McCormack

Fanscotian; Art Club; G.A.A.; Twirling.

"Barb" is one of the cute twirlers in our school. When she struts down the football field we're glad she belongs to S.P.H.S. Barbara likes driving. Any boy with a mustache or butch is off her list. Just like a lot of us, she doesn't know what she wants to do after her appearance in a cap and gown; but with her personality she'll go far in whatever she chooses.
