

William John McGinn Jr.

Mimeograph Ed., Fancotian; Art Club; Culmen; Properties, Jr. Play; Library Council; Make-up Committee.

"Bill" is the life of the Fancotian—he mimeographs its every issue and they wouldn't be without him. He doesn't spend all his time on that, though. He likes photography and goes in for collecting semi-classical and popular records. "Bill" enjoys art and loves to draw, but plans to join the Navy after graduation. He's sure to make a good sailor.

Barbara Marnel Mears

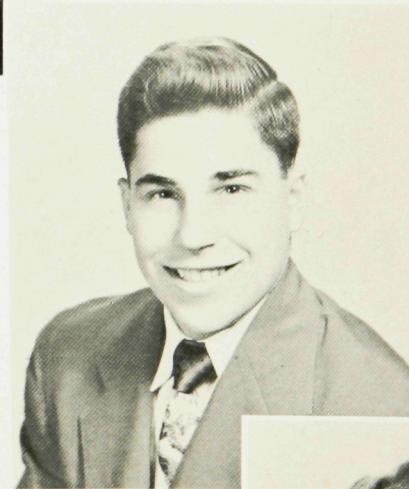

Senior Chorus; Las Contadoras; G.A.A.

"Marney" is one of the newer members of the class of '53, but with her pleasant smile she was not a stranger long. Among her likes are chocolate and football games. (She was one Senior you could count on to be at every game.) She loathes hot rods and homework on weekends. After the big day she plans to study to become a minister's secretary. When asked if this could lead into matrimony she answered "No!" Colby Junior College has a treat in store!

Robert Henry Metzger

Student Council; Business Manager, Culmen; Service Club; Assembly Committee; Archery Club; Varsity Club; Baseball; Basketball; Football.

"Bob" is one of the busiest, friendliest, and happiest seniors ever. He has a personality that just "gets" everyone and he is the kind of person you can depend upon. "Bob" does very well on the baseball field and enjoys being with girls and eating. He's so mad about food he even likes to cook it himself! After school "Bob" would like to attend college and take up hotel administration.

Norma Jane Meyer

Culmen; Make-up Committee; Service Club.

"Norm" is one of the class record collectors. She doesn't like just anyone, but Mario Lanza comes high on her list. While she listens to records, Norma enjoys cooking all kinds of food. She would rather watch a murder story on T. V. than Milton Berle. Just like anyone in school she dislikes homework but is very happy when she's sewing. After school "Norm" wants to do some kind of office work but also hopes to get married.
