

Carole Ann Pahler

Senior Chorus; Las Cantadoras; Service Club; Junior Play.

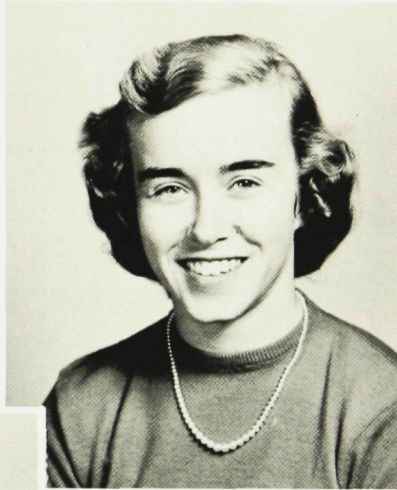

Tall, willowy, "Cap" is one of our most attractive seniors. Her hobbies include sketching and swimming. Popular music, good food, and people with a sense of humor rank high among her favorites. Another great favorite of Carole's is the Dodger Baseball Team. With "Cap" rooting for them, how can the Dodgers miss next year? Her only dislikes are bad manners and conceited people. Carole Ann, with her pleasing personality and quiet ways, will make a fine nurse in the future.

Alice Sue Petty

Sec.-Treas., Orchestra; Band; Moonflowers; Jr. High Dramatic Club; Treas., Jr. National Honor Society; Senior Chorus; Junior Play; Service Club; Las Cantadoras; Culmen.

Small, vivacious "Al" is one of the busiest members of our class. In addition to her many activities at school, Alice gives piano lessons, knits, and is a camera bug. She likes almost all people, good music, and driving her family's green Buick. "Al" plans to study home economics and music in college next year.

Patricia Ann Prior

Ass't. Ed., Fanscotian; Library Council; G.A.A.

"Pat," with her golden hair, and sparkling blue eyes, always livens up a gathering. She likes driving and sports. She enjoys helping others and has long been active in church and scout work. Her hobbies include reading and letter writing, especially international correspondence. Usually most amiable, "Pat" has only one dislike - conceited people. "Pat" plans to study social work at Barnard. After college she hopes to work for a few years in India.

William C. Root

"Wilber" is the adventuresome outdoorsman of our class. You have to get up early to beat "Bill" to his favorite fishing spot. "Bill's" hobby is gun collecting. He likes popular music, food, and long trips to nowhere-in-particular. After graduation "Bill" will satisfy his adventuresome spirit by joining the Navy.
