

Marilyn Doris Sorensen

Senior Chorus; Las Contadoras; G.A.A.; Cheerleaders; Service Club.

Marilyn joined us in our sophomore year and since then Brooklyn doesn't know what it has missed. A cute, blonde cheerleader, "Lynn" enjoys letter writing and, of course, football games. She finds pretty clothes and driving fascinating, but a certain marine is at the very top of her list. Plans for the future include studying at Katharine Gibbs in New York. Best of luck to a gal who is sure to make a fine secretary for someone.

Edward Sorge

Football; Baseball.

"Ed" became a member of the class of '53 in our Junior year and immediately took an active part in sports. He is wild about all kinds of Italian food but does not hesitate to express his dislike for school. He is known by all of us around school as "Urkle" and we will long remember him for his enthusiastic participation in football. After the long-awaited day, "Ed" plans to enter the field of carpentry.

Mary Ann Sorge

Service Club; G.A.A.

Mary is one of the newer members of the class of '53. She came to us in December of our junior year from Westfield High School. Her cuteness and friendliness won us over immediately. Mary enjoys all sports (watching and participating) but she is a special enthusiast of bowling, roller skating, and basketball. She is now working as a telephone operator in her spare time and she wants to continue with this after school.

Helen Anne Spencer

Fanscotian; G.A.A.; Red Cross.

Tall, attractive, and blue-eyed Anne includes among her many interests driving, dancing, and ice skating. Anne thinks the Four Aces are tops in the music world, and she enjoys nothing more than a thick, juicy steak and french fried potatoes. We often see her riding around town with a graduate of S.P.H.S. in a green convertible. Anne would like to acquire a secretarial position after graduation. Marriage is pretty definite in the very near future. Best of luck to you, Anne.
