

Valerie Ann Tiarks

Treas., Soph. Class; Treas., Dramatic Club; Chorus; Las Contadoras; Culmen; Service Club; G.A.A.

Tall, pretty "Val" is well liked by all. In her spare time you will find "Val" sewing and cooking. Her likes are food, dancing, and movies. Story tellers cannot be tolerated by her. Although her future plans are not definite, Centenary or Laselle Junior College have a treat in store if Valerie should choose one of them. We all know that "Val" will be a success in anything she should undertake.

Margaret Tonneson

Fanscotian.

Quiet, pretty, likeable, sincere . . . all describe "Peg" who unobtrusively graces the halls of S.P.H.S. When it comes to mealtimes, spaghetti heads her list of favorite foods. As pastimes, dancing and music are tops with "Peg." After graduation she intends to go into the commercial field, doing clerical work. We wish her lots of luck and know that some office will find her a capable worker.

Joseph Peter Triano

Fanscotian; Intermurals.

"Joe" likes girls, to drive his '41 Chevy, play and watch baseball, football, and basketball. Tops on his Italian food list is spaghetti. "Joe" is one of the "famous" cooks in Mrs. Bressler's senior cooking class. "Joe's" hopes for college are uncertain, but he would like to become a carpenter or a painter. If not, the army will welcome one of the Class of '53.

Aline Trivigno

Typing Ed., Ed.-in-Chief, Fanscotian; Sr. National Honor Society; Treas., Jr. Class; Sec., Audio Visual Aids; Chorus; Culmen; G.A.A.

"A," as vivacious Aline is called, is a very active member of our class. She is usually found hard at work in the Fanscotian room making sure the paper gets out on time, or yelling madly at a football game. In her spare time "A" reads, and plays her popular records. We have no doubt that industrious Aline will be a success as someone's private secretary.
