

## PROJECTION SQUAD

Director of Audio-Visual Aids.....Dean Carhoun  
 Projection Squad Chairman.....Bill Salisbury

Stage Manager.....Bob Holton  
 Secretary.....Joan Snyder

Advisor.....Mr. Robert Tilley

The houselights dim, the curtains open, the spotlight is focused and the performance begins. For all this, we give our thanks to the Projection Squad, one of the hardest working organizations in the school. Besides our assemblies and the daily use of many audio-visual aids, the group is responsible for all evening entertainment. This praiseworthy organization certainly deserves a big hand.
