

MOONGLOWERS

Faculty Advisor Mr. Leonard Wojnarowski

One of our most popular organizations is our dance band, the MOONGLOWERS. Each year they have several programs which are always looked forward to with great expectation and during one of these they have tryouts for a vocalist. Our MOONGLOWERS travel to other schools for exchange assemblies and have given a good name to S.P.H.S. Their continued practice on exceptional arrangements makes them an organization of which Scotch Plains High can be truly proud.
