

ORCHESTRA

President Robert Busse
 Vice-President Leighton Adams

This year the orchestra has been working under a great difficulty, that of half session. It has had to have rehearsals during the senior high session. Still, four of its members represented us in the All-State orchestra this year. They are Julianne Haer, Bill Hahm, Nancy Taber, and Preston Shimer. The orchestra plays for two assemblies during the year; the National Honor Society Assembly and the Oratorical Contest. Their biggest appearance is in the Night of Music and at the end of the school year they play for Senior Commencement. Hats off to the efforts of this organization!
