

Captain Richard Kelly
 Coach Mr. Charles Dettmar

BASKETBALL

Due to the loss of Scotch Plains' championship team last year, Coach Dettmar had a lot of rebuilding to do. He centered his team about Captain Dick Kelly who is one of the country's top scorers. Helping Dick under the backboards are Roland Hughey and Skip Hope with Bill Austin and Paul McGuire providing the outside punch. Off to a slow start the Blue Raiders are improving with each game and with their experience should put on a good showing by the end of the season and return to top, winning form next year.
