

You are the man who has helped to make our high school years unforgettable. You guided us through the Junior Play and continued to guide us further as faculty advisor for the Future Teachers of America. It is unusual to find a teacher who has the unique trait of treating his students as adults. You have also shown us that teachers are people. It is with gratitude and respect that we the class of '55 dedicate our year-book to you, Thomas J. Limoli.
