

**JANE FRANCES ANDERSON**

*Senior Chorus; Las Cantadoras; Spanish Club; Art Club; Culmen; Make-up Committee.*

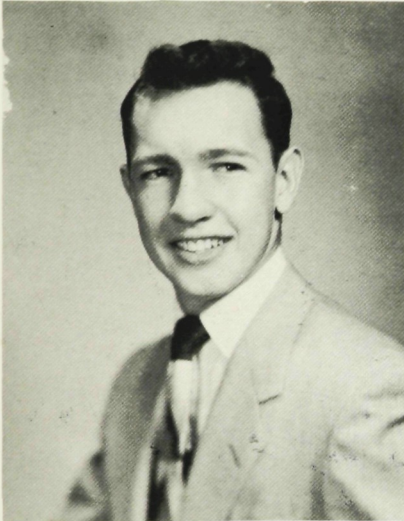

Heading off the Senior Class roll call is Jane Anderson, the girl with the blond hair and "the walk." She can keep any conversation lively with her colorful stories. Jane's future plans are hazy but definitely include some college; preferably in New England.

**THOMAS ANDRUSKY**

*Culmen, Business; Student Council; Senior Chorus; Boy's Chorus; Baseball; Basketball; Varsity Club; Junior Play; Junior and Senior Class President; Vocalist, Moonglowers.*

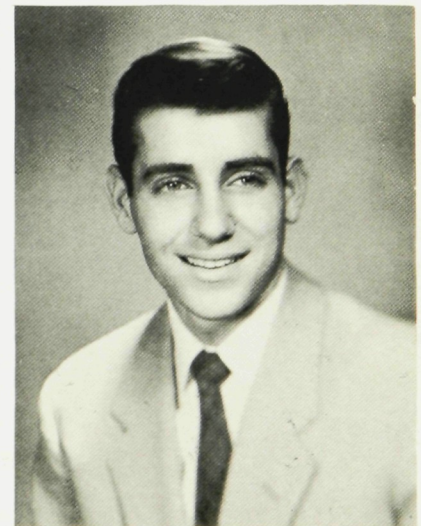

During a game at S.P.H.S. you can be sure "Tom" is watching the Cheerleaders. When the "3 A's and an F" are singing and you hear that "way-down note," that's "Tom." Oral reports bring forth a new set of "grimaces," but they're all a part of "Tom" and so are "O.K." with us. The future holds college and then things go hazy.

**FRANK JAMES ARGENZIANO**

*Varsity Club; Senior Chorus; Boy's Chorus; Football; Track; Vocalist, Moonglowers.*

"Little Genzi" is one of the few people in the class of '55 who can claim the distinction of clean saddle shoes. A nifty dresser, he always puts up a grand appearance. He's tough competition on the football field. "Little Genzi" helps to make sweet harmony in our Moonglowers quartet; the "3 A's and an F." The future will bring some unnamed college and then; who knows?

**WILLIAM W. AUSTIN, JR.**

*President, Junior Student Council; Student Council; President, Varsity; National Honor Society; Senior Chorus; Boy's Chorus; Culmen; Moonglowers, Vocalist; Football; Track.*

"Bill" is the boy who's most noted for being most noted. He's a master of subtle humor; you can never tell if he's being serious or not. An all round athlete, "Bill" does us proud on the football field, track, or basketball court. We predict a successful future for "Bill" which begins with college.
