

**NANCY LOU BESSLER**

*Spanish Club; Art Club; G. A. A.; Sr. Chorus; Culmen; Majorette; Student Council; Jr. Play; Las Cantadoras.*

"See that high stepping majorette strutting out there in front of the band?" That's "Nance" Bessler. She can usually be heard telling some hilarious anecdote, and doing imitations of classmates and teachers, dropping her R's in the process. "Nance" just loves Spanish and Marietta College is where she'll go in pursuit of knowledge. After that another Spanish teacher will step forth into the wide world.

"Oh! Brotha"!

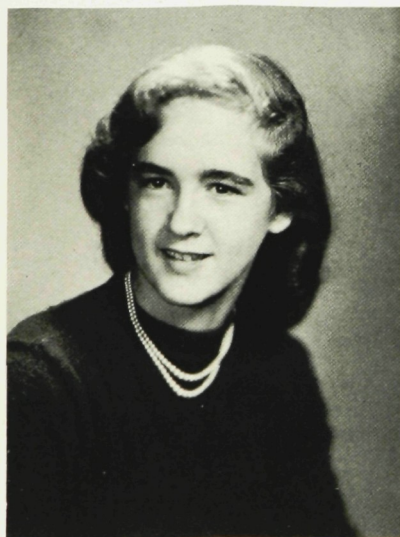

**CAROL ANN BETHUNE**

*Culmen; Art Club; Sr. Chorus; Las Cantadoras; Chairman, Make-up Committee; Pres., Spanish Club; Student Council.*

"Cacky" is one of those people who are well liked by all. Her big smile is ready for everyone. Carol is so easy-going that it practically takes a keg of dynamite to make her move fast. While her heart is elsewhere, Carol will be in Junior College for the next two years.

"Dat's nice!"

**MARJORIE JEAN BIDDULPH**

*Art Club; G. A. A.*

Did you say something about the Marines? "Margie" is all ears and no wonder, that's where her main interest lies. "Margie" is known around S. P. H. S. for her long brown hair. After school she plans to attend Providence Barrington Bible College. Then what? What about marriage?

**MARK DAVID BIRNBAUM**

*Editor-in-chief, Fanscotian; Science Club; Projection Squad; Student Council; Oratorical Contest; Honor Society.*

Mark deserves a lot of credit for letting the Culmen Staff over-run the Fanscotian's half of the room. As Editor-in-chief of the Fanscotian, Mark is tops. Though he's the perfect student in school, after hours finds Mark the perfect "funnyman" who's always ready for a laugh. After graduation Marks wants to be an electrical engineer.

"D . . . it!"
