*V. P., Jr. Student Council; V. P., Art Club; Junior Play; V. P., Band; President, Orchestra; Moonglowers.*

Dig that hot "licorice stick!" "Bob" will long be remembered by S. P. H. S. for his terrific clarinet and sax. "Bob" is exalting exuberance, itself, as far as we're concerned. His class spirit gives our class spirit. "Bob" is planning to join the throngs of mad chemists after college.

**CARMEL CAPOLONGO**

*Fanscotian.*

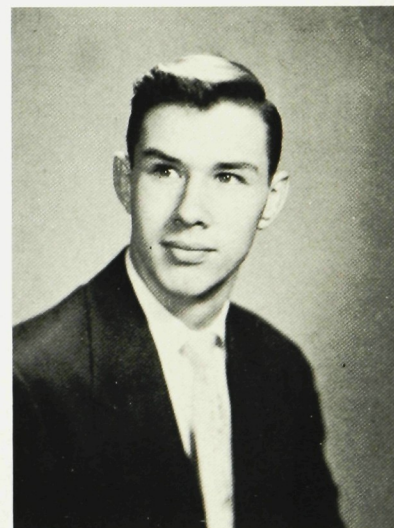

Carmel came to us in her sophomore year and New York's loss was our gain. Since then this neat and likeable girl has made many friends. Those lucky patients, when Carmel dons the nursing cap!

**ROBERT JOHN CARBOY**

*Senior Chorus; Boy's Chorus; Secretary, Varsity Club; Football.*

The swoonie, dream man type—that's "Bob." Mr. Sophistication in the flesh. He can be a clown, the quiet type, intelligent, or idiotic—whatever suits. He's our man of distinction and definitely of the college boy set.

**VIVIAN ANN CARRI**

*Editor, Culmen; Library Council; Honor Society; Vice President, G. A. A.; Girl's State; Pres., Sophomore Class; Jr. Play; Vice Pres., Jr. Class; Spanish Club; Student Council.*

Through the halls of S. P. H. S. will always echo the sound of an infectious giggle belonging to none other than our "Gege." She's the girl who gets embarrassed more times by more things than anyone we know. On her serious side, she's a hard worker and proves the fact by being the bustling editor-in-chief of the "Culmen." "Gege" is sure to get her R. N. with top honors and maybe go into Stewardess Training School.

"Oh, I'm so embarrassed!"
