

**ANITA ROSE ANN FLORA**

*Cheerleaders; Ziggity Boom Club; G. A. A.; Treas., Jr. Class.*

That pint-sized package at the end of the cheerleader's line-up is Anita, the smallest girl on our squad. She also has the longest, darkest hair of any of the girls on the squad. Anita's laugh is one that might truly be classified as a giggle, and when we say a giggle, that's what we mean. Anita hasn't decided whether she'll become a secretary or go to a school of design.

**EDWIN ROBERT FOURRE**

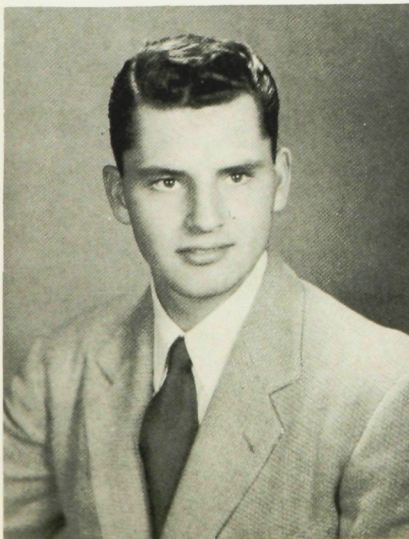

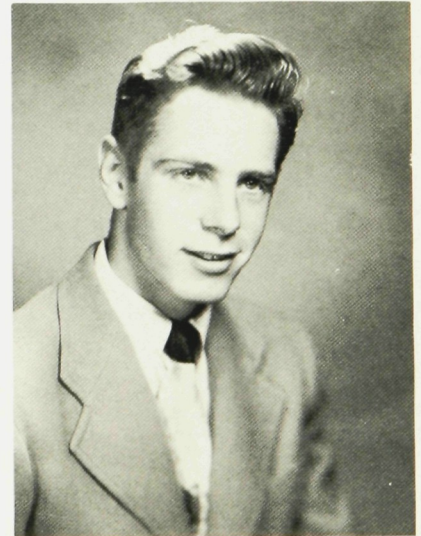

This boy was a problem. He won't tell us "nuttin." He's just ornery. What are "ya gonna" do? After the service he'd like to own a farm. We don't know what he'll grow but we're sure that "Ed" will grow it well. Well that's all we can write and it's not our fault. We can't read his mind.

**DAVID R. FOWLER**

*Track; Basketball; Football; Baseball, Most Valuable Player.*

Red Skelton has nothing over our "Dave". He is a master of wise-cracks and sets many a class of its' ear. "Dave's" bright red hair can be spotted in any crowd. He is very athletic and participates in many different sports. His plans for the future are indefinite.

"Hey there!"

**RICHARD FREDERICK FRANK**

*Culmen, Business Manager; Student Council; Football; Track; Senior Chorus; Junior Play Comm.*

Tall, dark, handsome and egotistical describe this good-looking senior. "Dick" is one of our busiest seniors. Besides being Business Manager of the Culmen, he still finds plenty of time for football practice and plays in all the games. After graduation his plans include either college or a few years with Uncle Sam.
