"Jeannie", is the girl with the long, golden-brown hair and beautiful eyes. She's one of those people who always manage to look as if they stepped out of a store window. She's very talented in the field of art and would like to make that her profession. "Jeannie" wants to attend college and study to be a commerical artist.

JOHN MICHAEL FRUSCO

"Jack" is the class of '55's answer to Perry, Vaughn, or Bing. He's the finishing touch to the Sr. Chorus. Crooning and joking are a gift with "Jack." He's the lone "F" in the "Body and Soul" group, the 3 A's and an F. Being a chip off the old block may be in "Jack's" future.

JOHN GAILLARD

"Jack" has been sick and has missed a lot of school the last few years. But we'd just like to say that we haven't forgotten about him and we all feel that he is still a member of our class. We hope he'll be much better soon and have the best of luck in the future. Get well "Jack," we miss you!

FLORENCE ELAINE GARLAND

Art Club; G. A. A.; Cheerleader; Senior Chorus.

If you hear the sound of singing in the halls, it just might be "Tina." Singing is heard in the oddest places at the oddest times when she's around. If Florence has anything to say about it, she'd like to make singing her ambition. However, secretarial work is a possibility as a stepping-stone to success.
