

**RUTH ZELENA MORGAN**

*Culmen; Library Council; Spanish Club.*

Ruth is the girl with that stupendous imagination that comes to light in her composition work. Ruth means reliable when it comes to answering questions in class. She is quiet and unassuming, but can be depended upon in a "pinch." Ruth and her red rimmed eyeglasses will give spark to some office after Catherine Gibbs Secretarial School.

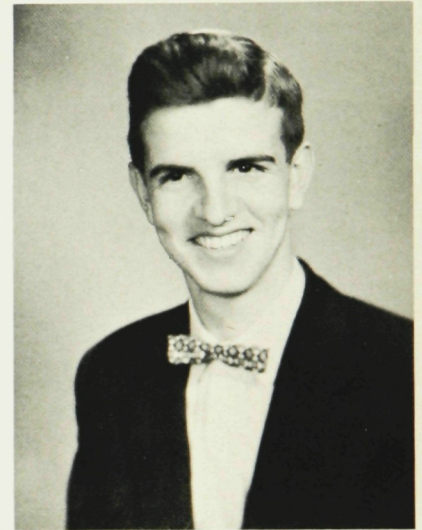

"For Pete's sake!"

**GIBSON H. NELSON**

*Junior Play.*

This red-headed nonchalant character happens to be "Gibby." Westfield sure lost a spark plug when "Gib" moved to S. P. H. S. He will leave behind him memories of his ability to leave his homework home on the piano and his portrayal of the janitor in "Goodbye My Fancy." His feet have a habit of getting in his way no matter where he is going. The Air Force will have to catch him with opened arms.

"Oh well!"

**RITA ELIZABETH NYBORG**

*Fanscotian; Culmen; Secretary Student Council; G. A. A.*

But of course, that's "R" running down to the typing room. One of our secretarial majors, "R" is always on her toes ready to help out an underclassman. She dislikes people who act dramatic. After graduation comes secretarial work and then a June wedding. Good Luck to you, Rita!

**DONALD FRANCIS O'BOYLE**

*Basketball; Track; Baseball; Senior Chorus; Boy's Chorus.*

A quick wit even though he's "flubbing"—that's "Don." Competition for Jackie Gleason? Well, at least he tries. "Feenie" will be some sort of a hit at Seton Hall University where he'll study Business Administration.
