

ROBERT ALLAN OLSEN

Way back in eighth grade Bob came to us from Brooklyn. He is known for his quiet personality and his ability to work hard on anything that is given him. After graduation Bob plans to enter the ministry. We know he'll be a great success.

WILLIAM STEWART OSBORN

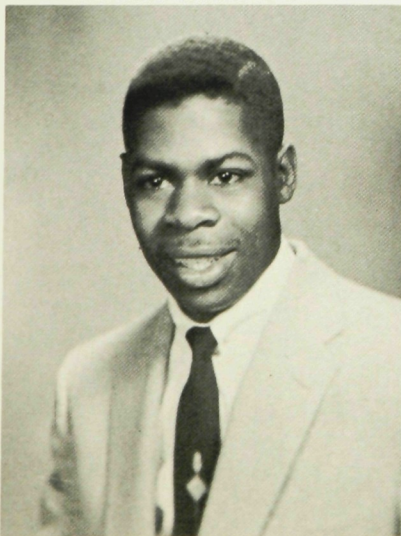

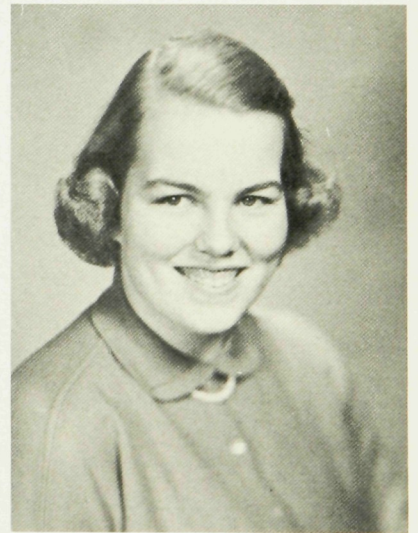

Football; Track; Varsity Club; Junior Play; Projection Squad.

"Ossie" is one of our quieter (???) boys. He is known for his dependability. You want something done fast? Bill's got it done! He is one of those few people who think before they act. With his personality and conscientiousness we feel sure that he'll go a long way. The field of chemical or aeronautical engineering will welcome this swell fellow!

RUTH EDNA OTT

Culmen; Student Council; Service Club; Science Club; Library Council; G. A. A.; Dramatics; Oratorical Contest; Jr. Play; Co-chairman, Assembly Comm.

Dependable, friendly, conscientious are some adjectives that describe Ruth. Ruth is a hard working member of the senior class and helped a lot with the Junior Play. She likes most everything. After graduation Ruth is planning to study medical technology at Penn. State.

DONALD PATTERSON

Football; Track.

A sly smile and quiet wit! That's our Pat. He is one of our quieter students but he can make himself heard. Memories of his '38 Ford and his quiet personality are what Don will leave behind. Lookout for those garages, Pat, they can hit back! After graduation are plans of enlisting in the Air Force.

"I wouldn't know!"
