The Class of 1957 has been an active one since it first entered S.P.H.S. This year the Junior Play, "Men Are Like Streetcars," presented December 2 and 3, 1955, was such a big success that it broke the record for having the largest house of any former Junior Play. The Junior Prom on April 14, 1956 was the last wonderful event for the Juniors before they became the Senior Class of 1957.
