

**LINDA ANN CLUESMAN**

**"No one can help another without helping himself"**

If we listed all of Linda's interests we'd run off the page! As a sample, she likes music, tennis, football, and letter writing. Linda will certainly be an interesting nurse with all those sparetime activities to talk to her patients about. She'll take good, conscientious care of them, too, for that's the kind of girl Linda is.

**ROSCOE T. COUNTS**

**"Great power lies in silence"**

"Hutsy" likes sports very much, but it may be surprising to find out that he likes "kid's," too. Put the two together and you couldn't get anything but a gym teacher or a football coach. When an undefeated football team takes the state by storm, we'll know that the coach was none other than Coach Counts.

**JOAN ANN CONNOLLY**

**"Beauty set to music"**

Petite, blonde, and very graceful—that's "Joanie." Her love of good music and dancing, together with her friendliness and sincerity, has made her an asset to our class. There's no doubt but that success will be hers in the teaching field.

G.A.A.; F.T.A.; Senior Chorus.

**BRUCE ELLIOT COWAN**

**"He added to the sum of human joy"**

Bruce's quick smile and whole-hearted appreciation of others witticisms has made him one of our most popular seniors. His typical baseball build coupled with his skill have made him a dependable performer on the team. After scanning his fine academic record, we predict a bright future in Bruce's chosen field of engineering.
