

GAIL PATRICIA CRAWFORD

"Gentle in method, strong in performance"

Gail is the quiet, sincere girl often seen with paint brush in hand. Her skillful, artistic fingers will be put to a worthwhile art—that of nursing. We know that Gail, because of her interest in helping people, will be a much admired and respected nurse.

FRANK ARTHUR CRIPPEN, III

"Possessor of a sixth sense—humor"

Frank has an infectious chuckle. A hard worker and, we might add, dependable, he is not sure what the future holds. His good nature and sincerity will be a boon in any occupation.

Culmen.

DONALD CZERWINSKI

"I will either find or make a way"

Here's an all-around good fellow . . . sincere, congenial, and dependable. More than an honor student, "Don" enters into school activities with great spirit. If you need any help in physics, math, or changing a flat, "Don's" right there to assist.
