

GERALDINE ANN DeCUOLLO

"True merit is like a river. The deeper it is,
the less noise it makes."

Although she's quiet and unobtrusive, "Gerry's" witty remarks and wonderful sense of humor have made her a great favorite. "Gerry" will probably become an efficient, hardworking secretary.

G.A.A.; Basketball; Girls' Citizenship Institute.

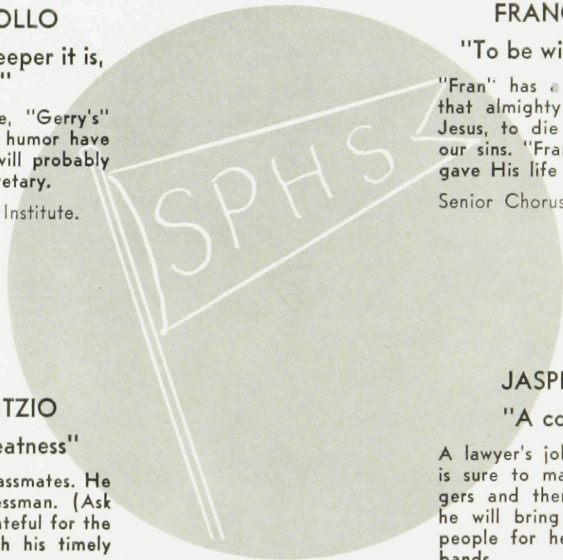

FRANCES ELAINE DEMAREST

"To be with Christ; which is far better"

"Fran" has a wonderful philosophy. She believes that almighty God sent His only Son, the Lord Jesus, to die on Calvary that He might remove our sins. "Fran's" life is centered about Him who gave His life a ransom for many.

Senior Chorus; G.A.A.

DONALD EDWARD DeNITZIO

"Another opportunity for greatness"

"Don" is one of our more carefree classmates. He possesses the traits of a true businessman. (Ask anyone he's hooked.) All of us are grateful for the many classes he has enlightened with his timely jokes.

JASPER ANTHONY DiBELLA

"A combo of rhythm and gab"

A lawyer's job takes a lot of training, but "Jas" is sure to make the grade. He will attend Rutgers and then law school. Wherever "Jas" goes he will bring relaxation and enjoyment to many people for he plays the drums in several dance bands.
