

**THOMAS FREELAND**

"Not to live at ease is not to live"

"Tom" will undoubtedly be happy in his chosen occupation of engineering because of his unusual mathematical ability. "Tom" also has a wonderful sense of humor and a keen mind.

Basketball Manager.

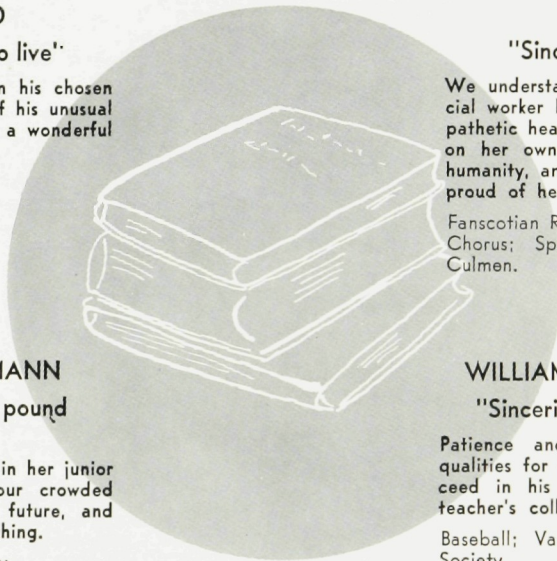

**HELENE FREIMAN**

"Sincerity, thou first of virtues"

We understand Helene's desire to become a social worker because she has an open and a sympathetic heart. When Helene steps into the world on her own, she will surely benefit the lot of humanity, and we who know her are going to be proud of her in years to come.
