

RALPH JOSEPH KUBISTA, ESQ.

"Silence with a purpose"

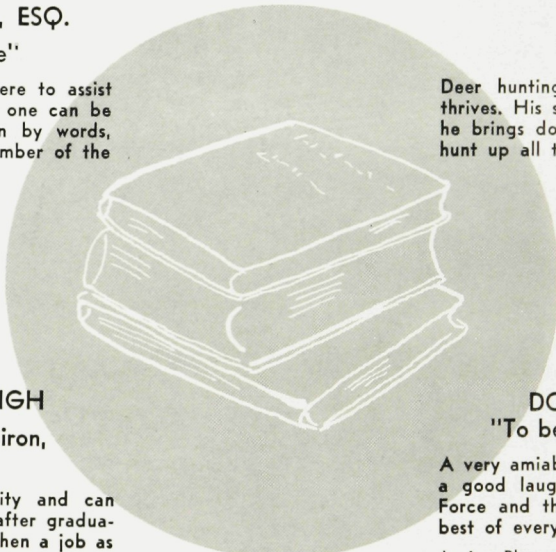

Quiet and unassuming yet always there to assist . . . that's our Ralph. Believing that one can be more respected through silence than by words, Ralph has proven himself a loyal member of the senior class.

HERBERT KUEHN

"Gunning for glory"

Deer hunting is the sport upon which "Herb" thrives. His skill is obvious when you see the way he brings down his target. We hope "Herb" will hunt up all the happiness to be found in life.

RONALD WILLIAM LEIGH

"Out of a heap of scrap iron,
he molds a car"

"Ron" has unusual mechanical ability and can often be found fixing up cars. First after graduation comes a stint in the Navy and then a job as a mechanic or carpenter.

DONALD H. LEINBACH

"To be merry best becomes you"

A very amiable person, "Don" is always ready for a good laugh. His future plans include the Air Force and then junior college. We wish him the best of everything.
