

**DIANE A. MANFRA**

"Nothing so great that I will not do it,  
for a friend"

Take note everyone! Here is a girl who has proved to be a dependable friend. Working with children is a vocation that fits into her life somewhere. In years to come Diane may enroll, also, in secretarial school.

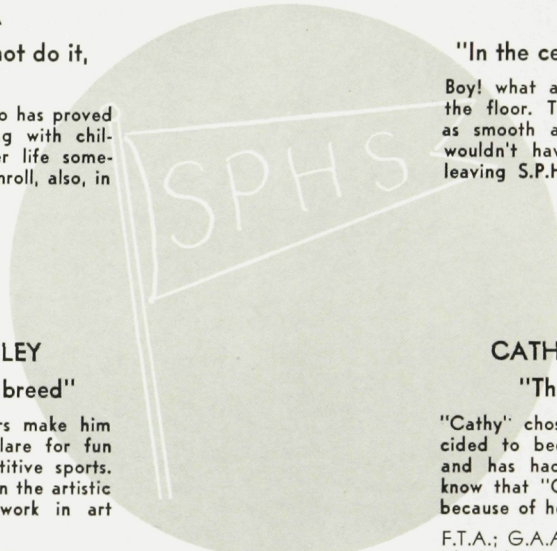

F.T.A.; G.A.A.; Spanish Club.

**WILLIAM MAYE**

"In the center ring, a smooth performer"

Boy! what a dancer! Just see him sweep across the floor. That's our "Bill." If life were always as smooth as "Bill" is on the dance floor, we wouldn't have any obstacles to overcome after leaving S.P.H.S.

**JAMES WELLS McCAULEY**

"True artists are a rare, rare breed"

"Jamie's" height and broad shoulders make him stand out in a crowd. He has a flare for fun and is a worthy opponent in competitive sports. "Jamie" has displayed marked talent in the artistic field, and plans to continue this work in art school.

Football; Basketball; Track; Varsity Club.

**CATHLEEN MARY McCULLEN**

"Thou shalt teach the ages"

"Cathy" chose a worthwhile course when she decided to become a teacher. She loves teaching and has had some practice through F.T.A. We know that "Cathy" will be a good schoolmistress because of her interest in others.
