

C. STUART BURNS

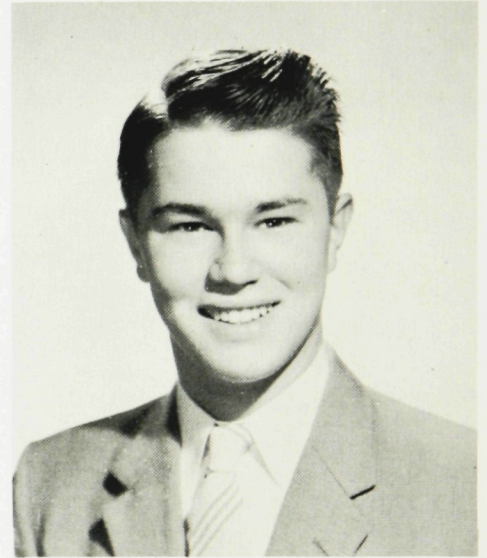

*Band; Orchestra; Moonglowers; Sr. Chorus; Boys' Glee Club; Student Council; Biology Club; Culmen.*

"Stubs" is one of our most capable and determined seniors. Not only that, he's a fine musician, as avid Moonglower fans well know. Graduation will find Stuart heading for Rutgers as a chemistry student.

DONALD F. CADY

*Band; Orchestra; Moonglowers; Projection Squad; Sr. Chorus; Boys' Glee Club; Fancotian, Co-Business Manager.*

"Don" is that boy you've seen constantly arguing his point in class. He has a really keen love for winning a debate. "Don" plans to attend college after graduation and study science. He'll be a success in whatever he does.

DOROTHEA CAPOLONGO

*Twirlers; Library Council; Fancotian; G.A.A.; Senior Chorus.*

That pretty, vivacious twirler with the high strut and flashing smile is none other than our own "Dot". Although her future plans are a bit hazy, we know "Dot's" sweet personality, friendliness and enthusiasm will carry her far.

PATRICIA ANN CAPONE

*Sr. Chorus; Fancotian; Art Club; Bus. Ed. Club; G.A.A.*

Here is one of the most likable persons you would ever want to meet. With a personality and sense of humor like hers, what man wouldn't want "Pokey" for his private secretary?
