

SANDRA CARBLEY

"Sandy" loves people. She likes "Cal" in particular. He just might be the reason for her plans of marriage after school as well as the rock on her finger. We are sure "Sandy's" thoughtfulness and amiable manner will be as much an asset to her in the future as it is now.

DAVID F. CARNEY

*Service Club; Student Council; Sr. Executive Board; Spanish Club; Jr. National Honor Society.*

"Dave's" quiet manner belies his real desire to be friendly and his consideration for other people. With these fine qualities, it is obvious that he is an important part of our class. We all wish you the best of luck, "Dave", in what we know will be a successful career after college.

JANET MADELINE CARTER

Always happy to meet new people, Janet enjoys doing things that include others. Basketball and baseball seem to be tops on her list. Janet would like to further her education in a vocational school after graduation.

JUDITH CYNTHIA CAULK

*Library Council.*

Listen carefully to her speech and you'll detect that cute little southern tone in her voice. "Judy" is a perfect picture of contrast with her blue-black hair against her almost snow-white skin. We've only known her one year, but many of us have been completely captivated by her sweet attitude. She plans to become a secretary.
