

CAROL JEAN DACEY

*G.A.A.; F.N.A., Vice Pres.; Fanscotian; Sr. Chorus.*

Anyone for nursing? Carol certainly qualifies, for her neatness, sweetness and charm will surely make her popular with her patients. Swimming is her favorite sport and she likes popular music. Carol can take our pulse anytime.

JAMES ALLEN DALRYMPLE

*Intramurals; Chess Club.*

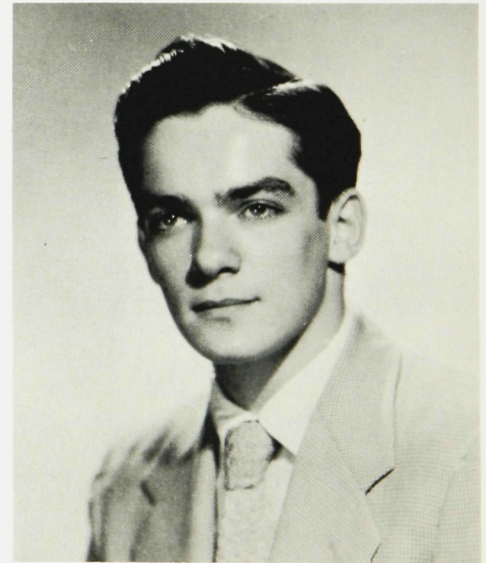

"Jim" is from the South. You can tell he can't wait to get back there because he's planning to attend Louisiana State University. Although "Jim" is a quiet boy, he's a very nice one. We wish him all good luck in the future.

HERMAN F. DAMBACH, JR.

*Track.*

Though Herman is one of our quieter seniors, he is a pleasant fellow to be with. He takes life easy and seems to get a lot of enjoyment from all he does. His pleasant personality will grant him a fine future as a member of the Air Force.

BETTE L. DAVIS

*Band; Orchestra; Moonglowers; Sr. Chorus; Las Con; G.A.A.; Instr. Music Dept., Sec.-Treas.; Sophomore Class, Sec.*

Bette is that peppy senior you've seen marching in the band, yelling in the stands or racing along the catwalk. Noted for her friendly manner and gay personality, Bette loves music. She plans to become a music teacher after graduation and we know with her vim and vigor she'll be the best.
